

wildwood™ Backlog

Site Furnishing

Model#WWB-BL-05005

Product Info

Create the ultimate moment corner with this natural lean-to site furnishing. Crafted from solid Black Locust timber, this minimalist design fits in any space. Embrace the art of leaning as you rest against its smooth, durable, eco-friendly finishes. The backlog won't slow you down, but it will force you to lean back, relax, and and watch the world go by.

Materials

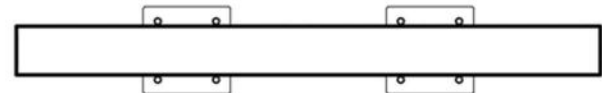

Black Locust Timber

Aluminium

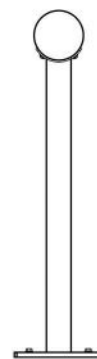

Made in USA
