Product Info

Return to the outdoors with the Beam Bench. Formed from solid, Black Locust timber, this big boy can handle loads of sittin! There's no wrong way to enjoy this slice of the great outdoors. Sit, straddle, stand, or dance on this big ol' beam bench in any space.

The extremely durable and unique timber finish is giving tons of nostalgia for mother nature.

*Backlog Add-on

Add a back support to the beam bench for added comfort.
