

wildwood™ Big Beam

Model#WWBB-BL-1812

Product Info

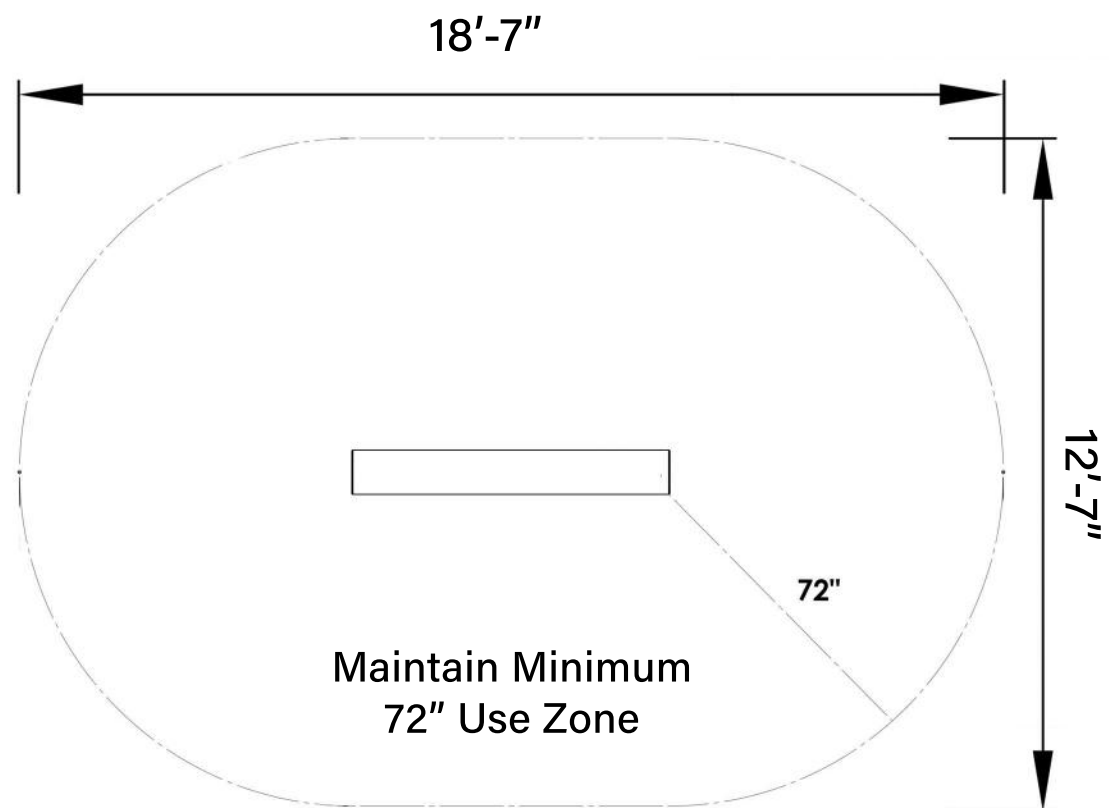

Made from natural Black Locust, this big beam challenges kids to walk, balance, and conquer their way from end to end. As they tread carefully along its chunky (72"/108") length, they're not just playing—they're building their coordination, concentration, and confidence. With its natural finish and durable design, the Big Beam promises endless adventures and skill-building opportunities, making it an essential feature for any outdoor play area.
