

### Product Info

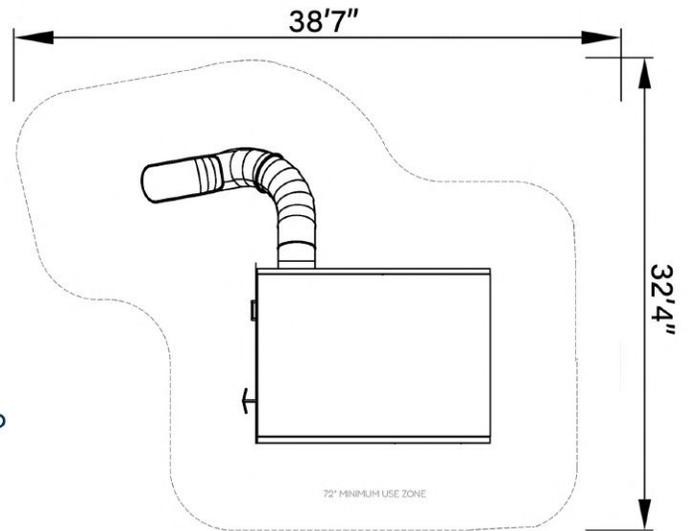

The Skylinez™ Puzzle Tower is a 30-foot skyscraper-style fun-house featuring a transparent, "ant farm" interior labyrinth. Kids navigate sliding platforms and rope obstacles to reach a twisting stainless steel tunnel slide. With a wild see-through design mixed with classic 1908's blocky architecture, it serves as a stunning urban landmark. Add the 20' Sky Arch to this unit to connect the fun the Lean Loft for a thrill seeking high action skyline.
