

## Summit Climber

Model#WWSC-BL-1008

## Product Info

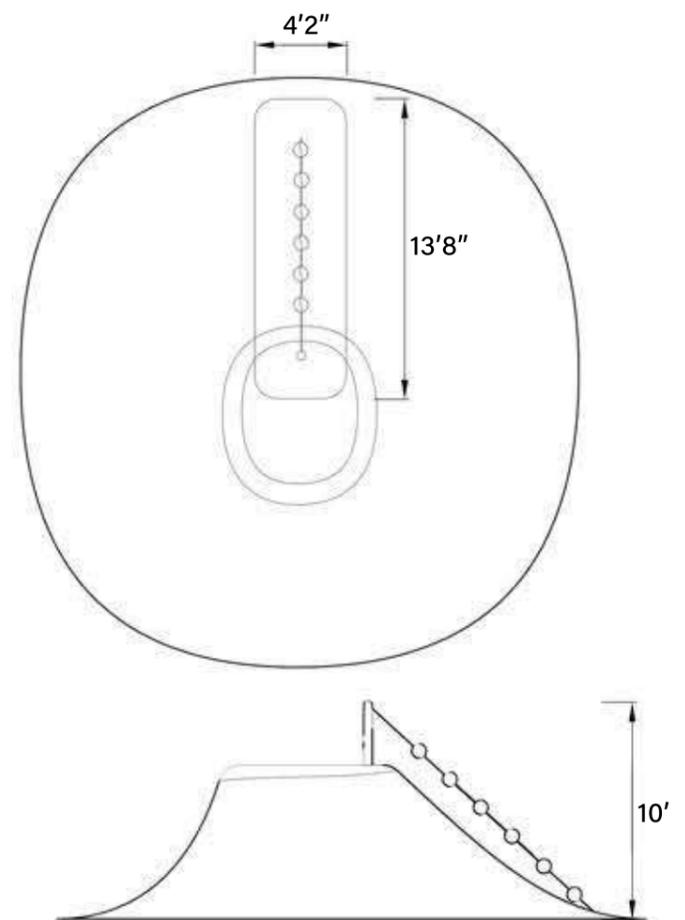

Ready to conquer the hill? The Summit Climber takes natural play to new heights. This steel-core rope is anchored to a solid timber frame and secured at the hill's base, featuring oversized 8" polyethylene orbs for grabbing, hanging, or even straddling your way up. Perfect for embankments, it's all about testing your strength, balance, and creativity while adding a splash of fun to the climb. Built tough for endless adventures, this hillside favorite is made to inspire big moves and even bigger energy. Hill adventures: unlocked.
